Apple's One-Year Limited Warranty

Apple's warranty obligations are limited to the terms set forth below:

Apple Computer, Inc. ("Apple") warrants this hardware product against defects in materials and workmanship for a period of ONE (1) YEAR from the date of original retail purchase.

If you discover a defect, Apple will repair your product with either new or refurbished replacement parts at no charge. If Apple is unable to restore your product to good working order after a reasonable number of attempts, Apple will, at its option, replace or refund the purchase price of your product.

To obtain service under this warranty you must do one of the following during the warranty period:

FOR ALL PRODUCTS
1) Deliver your product, at your expense, to an Apple-authorized service provider location within the United States. You may call 1-800-538-9696 extension 525 to obtain the location of an authorized service provider. For each product delivered for warranty service, please provide your name, address, telephone number, and a copy of the bill of sale (bearing the appropriate Apple serial numbers) as proof of date of original retail purchase.

OR

FOR SELECTED PRODUCTS
2) Selected Apple products may qualify for on-site or express freight repair options within the United States. Call 1-800-SOS-APPL between 6 A.M. and 6 P.M. Pacific time, Monday through Friday, excluding holidays, or a participating authorized service provider during normal business hours. To determine if your product qualifies for on-site or express freight repair, you will be asked to provide the model and serial number of your product, the date of original purchase, and your name, address, and phone number.

a. On-Site Repair. If on-site repair is available for your product, a service representative will be dispatched to your product's location if it is within a 60-mile radius of a participating authorized service provider (some restrictions apply). Please have available a copy of your bill of sale at the time of the service representative's visit to verify eligibility for warranty service. You may be charged a fee under the following conditions: (1) Your problem is found to result from the use of a non-Apple product; or (2) no trouble with your Apple product can be found.

b. Express Freight Repair. If you qualify for express freight repair, the telephone representative will provide further information and instructions.

If you intend to travel with your Apple product, you are strongly encouraged to carry a copy of your proof of purchase, which you will be required to present in the event your product needs repairs covered by the Apple Limited Warranty. In addition, you should consider carrying a backup copy of

the Macintosh system software and any application software that you are using in case you encounter a problem which requires you to reinstall this software.

If your product fails during the warranty period while you are outside the United States, or in U.S. territories and possessions, you may have it repaired at no charge to you (no refunds or replacements are provided). You must deliver it during the warranty period, at your expense, to an Apple-authorized reseller or service provider in the country in which the product failed. Please be aware that service providers outside the United States may not carry all repair parts for U.S. products, or may not be able to repair some models. If repair parts need to be specially ordered, the repair may take longer than normal. If your model cannot be repaired in the country you are in, it may need to be sent to a different country or returned to the U.S. at your expense for repairs.

This warranty applies only to hardware products manufactured by or for Apple that can be identified by the "Apple" trademark, trade name, or logo affixed to them. Any warranty on third-party hardware or software installed by Apple on this product is provided by the hardware or software vendor, not Apple. Apple does not warrant any products that are not Apple products. This warranty does not apply to damage caused by accident, abuse, misuse, misapplication, or service (including upgrades and expansions) performed by anyone who is not an Apple Authorized Service Provider; if the product has been modified without the written permission of Apple; if any Apple serial number has been removed or defaced; or if you cannot provide proof of original retail purchase as described above.

THE WARRANTY AND REMEDIES SET FORTH ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHERS, WHETHER ORAL OR WRITTEN, EXPRESS OR IMPLIED. APPLE SPECIFICALLY DISCLAIMS ANY AND ALL IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. No Apple dealer, agent, or employee is authorized to make any modification, extension, or addition to this warranty.

APPLE IS NOT RESPONSIBLE FOR DIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES RESULTING FROM ANY BREACH OF WARRANTY, OR UNDER ANY OTHER LEGAL THEORY, INCLUDING BUT NOT LIMITED TO LOST PROFITS, DOWNTIME, GOODWILL, DAMAGE TO OR REPLACEMENT OF EQUIPMENT AND PROPERTY, AND ANY COSTS OF RECOVERING, REPROGRAMMING, OR REPRODUCING ANY PROGRAM OR DATA STORED IN OR USED WITH APPLE PRODUCTS.

Some states do not allow the exclusion or limitation of incidental or consequential damages or exclusions of implied warranties, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state.
